What is the

# Corporate Challenge

The Corporate Challenge is a great opportunity for local businesses, friends and colleagues to enjoy some fantastic team building experiences by coming up with various fundraising initiatives to raise significant funds for the ever-increasing number of local people in need of hospice care.

## Benefits:

- Aligning your company with a well-known much loved local charity will encourage community relations and generate positive PR for your company.
- Creates team building opportunities and gives staff a chance to try new activities in a different working environment.
- Increases awareness of your brand in the local area.
- Boosts staff morale and promotes a feeling of satisfaction.
- Creates a good working environment for staff, where they feel they can give something back in a practical way.

What's involved in the

# Corporate Challenge

- You can attend our networking business breakfasts every three months held at Hampden Park.
- Set your own fundraising target, what feels right for your organisation. We ask that this is set at £1,000 minimum.
- We will be holding an Awards Night to thank all companies for their fantastic efforts in the initiative. This will be at no cost to your organisation. Tables of 10 per company
- Various awards will be up for grabs for those who have been involved in the initiative! This is set to be a fabulous event and a true celebration of everyone's efforts.
- Further details of both Networking Breakfasts and Awards Night to follow.
